

Markdale Minor Soccer

2021

Markdale Minor Soccer would be grateful for your sponsorship of one of our teams for the 2021 season. Your sponsorship helps to offset the purchase costs of team jerseys, club equipment and keeps our registration fees affordable. Your business name will be printed on a set of team jerseys. Additional benefits of a team sponsorship include advertising on our website (www.markdaleminorsoccer.ca), recognition in the local papers and a team photo plaque for you to display.

If a full team sponsorship is not in your interest, MMS will graciously accept an alternate form of support. This will be recognized through advertising in our Business Partners category on our website and the sponsorship sign at the soccer complex.

Our last soccer season, in 2019, was a very exciting and successful season for us. We had over 300 children and young adults representing Grey Highlands all throughout Southwestern Ontario.

We could not offer these opportunities to the children in our community without the generous support of our business sponsors and business partners. We appreciate your continued support of the Markdale Minor Soccer program. Thank you very much!

Sincerely,
Mils Farmus
and the Markdale Minor Soccer Executive
